Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Inspection of the file of the application for the patent reveals the title page of the specification is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issue by the examiner. The Patent Office Style Manual dictates that the decimal point and subsequent numeral be left off foreign priority document numbers of this length. Therefore, no correction is in order here under Rule 1.322 or 1.323.

In view of the foregoing, your request for certificate of correction is hereby denied.

Future correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
